

# Russian Language and Culture Course at Columbus North International School

## Purpose

Teaching a Russian language course and an East European culture course to support greater study of and interest in Eastern Europe at the secondary school level.

## Impact

Students in the courses have stated that they enjoy and appreciate learning about an area of the world and countries that are not normally covered in their other coursework.

Students have visited campus to see what a real college classroom is like and have stated that it has made them think more about going to college and seeing it as a real possibility for them.

## Ohio State Colleges/Units Involved

Center for Slavic and East European Studies

Department of Slavic and East European Languages and Cultures

## Community Partners Involved

Columbus North International School

## How you can get involved:

- **Support Our Partners: Work with Columbus North International School** and show support for their focus on international and foreign language education.
- **Funding to support students:** providing them with career and professional development opportunities and insights, as well as supporting a study abroad trip for them to Eastern Europe (2018).
